- Unit testing times reflect the amount of time allotted to take the test. It does not include the time needed for passing out materials and reading directions.

### Student Guidelines

- Be sure to get a good night's sleep and eat a healthy breakfast before each test!
- Approach the assessment in a relaxed way and with a positive attitude!
- Do your best!

### Electronics Policy

**Unauthorized electronics (cell phones, e-readers, Smartwatches, etc...) are NOT permitted at any time during testing.**

- Prior to the test, each teacher will remind students to verify that they have turned off all electronics and that they are in their lockers/backpacks away from the testing location.
- Should an unauthorized electronic device be observed during testing, it would be considered a security breach requiring the school to notify the NJDOE immediately of the violation.
  - The student's test will be stopped and possibly voided pending an investigation as to the extent of the security breach.
  - The device will be confiscated to be returned to the child's parent upon completion of the investigation and guidance from the NJDOE.
